

Storm Shift Study Locations Dallas County, Texas

Please reference the North Central Texas Council of Government (NCTCOG) website for the results of this study.

Study was completed in 2021-2022 by the U.S. Army Corps of Engineers Fort Worth District and other partners. Locations of interest were established through coordination with study partners.

Source of the floodplains depicted on this map is the FEMA Preliminary FIRM (released 2020-2021).

Note that this information and relevant storm shift data is intended to be used for planning-level (non-regulatory) flood risk awareness purposes and is subject to change.
